20 July 2018

Dear Parents/Carers

As we approach the summer and outgrown PE kits and trainers are thrown away, I would kindly request that items that are no longer required at home be sent to school to enable us to build a spare kit wardrobe for September. No need to wash the kits, just hand to the office or Mrs Bourke on the infant site.

I would also like to take this opportunity to remind you of our school PE kit ready for September. Every child in years 1 to 6 will require an indoor and outdoor kit as follows:

## Indoor Kit

Plain white t-shirt

Black shorts

## Outdoor kit

Black jogging trousers or leggings (please bear in mind that these will be worn outside so need to be warm as the weather becomes cooler)

Black sweatshirt top, with or without a zip

Sports trainers.

The correct footwear is vital to enable children to participate safely in the sports and games in our curriculum. There should be no fashion footwear or traditional PE pumps as these don't offer the correct support. Sports trainers can be purchased from supermarkets or sports shops and needn't be expensive, labelled footwear.

Children who do not have the correct kit will be unable to participate actively in PE and games sessions from September and you will be informed by letter by your child's class teacher for the reason. We hope in sending this letter now it gives you plenty of time to get the correct kit ready to return to school for September.

## Fitness watches

With the increase in pupils wearing fitness watches we have assessed the risks and decided that pupils will be allowed to wear their watches when participating in certain PE and games sessions. Class teachers will assess the risk based on the individual lesson activity and there may be times when your child is asked to take off their fitness watch. We accept no responsibility for pupils damaging their fitness watch and therefore if you would rather your child did not wear theirs for PE and games please inform your child's class teacher in September. All other jewellery will still be required to be removed for PE. Therefore, if you intend on your child having their ears pierced we request that you do this at the start of the six-week summer break so that they have time to heal before term begins again.

Have a lovely summer break.

Yours sincerely

Mrs N Bourke  
PE Lead
