Dear Parents/Carers

The Parent Focus group have discussed different ways parents can support school, with funding being very difficult. Whilst acknowledging that FOJORPS already do an amazing job it was decided that one way in which parents can help is by providing basic stationery for their child. Many schools have been doing this for a number of years now and many KS2 children already bring in their own pencil case etc.

If you are able to help by providing the stationery, then we would like to suggest the following:

- A small pencil case (not an expensive one from a designer shop- you know what we mean!), with your child's name clearly written inside.
- Pencil
- Eraser
- Pencil sharpener
- 15cm ruler
- Blue ink pen (for those in KS2 who have been given a pen licence). We encourage the children to use a blue fibre tip pen. See information on the reverse of this letter.
- Green biro pen for editing
- Red biro pen for self marking/editing
- Highlighter pen(s)
- Black dry wipe pen
- Glue stick

Other things which may be useful:

- Coloured pencil crayons
- Basic coloured felt tipped pens

It would be useful if all equipment could have your child's name on them, as the children will be responsible for them.

If you are able to provide these and replenish them as they wear out during the year, that would help us greatly. If you are unable to provide the above, then we will continue to provide these for your child.

If you have any questions then please contact school.

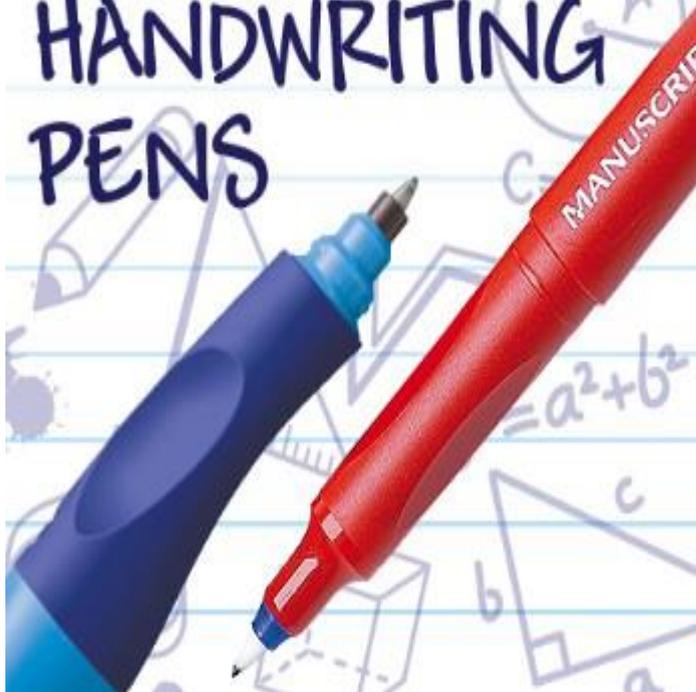

Thank you in anticipation of your support.

Yours sincerely

Mr Bateman  
Headteacher

# SCHOOL HANDWRITING PENS

Here is a selection of the recommended handwriting pens for school use. Please speak to your child's class teacher if you have any queries.

Please note:

- Blue ink please.
- We encourage the children to use a blue fibre tip pen. We sell these for 50p via ParentPay, if you cannot find them in shops. These will be available to buy from Wednesday 29 August and then collect from the office on the first day of term.
- Friction pens, Stabilo 'Easy Start' handwriters and ink cartridge pens are also to be recommended.
- No blue biro's thank you.
