Welcome Back and Happy New Year

It seems like Christmas was such a long time ago, but this is the first Newsletter of 2018. We hope that everyone had a great Christmas and New Year and that your children were helpful and thoughtful towards you, as I asked them to be in the Christmas Assembly!

The longer days will allow us to start our outdoor clubs again, as well as the Dove Valley and other sporting fixtures, which are put on hold during the run up to Christmas. We are all looking forward to the Spring Term and seeing the children progress with their school work, as well as developing as people.

The partnership between home and school is vital and we encourage you to talk to your children about their learning and to speak to their class teachers if you have any questions or concerns. The Termly Overviews, which will be sent home on Monday are a useful starting point for discussions about what we are learning in school.

Kind regards
Mr Bateman

gardens for schools

Dear Parents

Great News - your child's school is taking part in the Gardens for Schools scheme, that will help you get more free gardening products for your school

What is Gardens for Schools?
Gardens for Schools is an important part of our on-going relationship with schools, the Gardens for Schools project allows Strikes Garden Centres to work with the children, inspiring them to get their hands dirty in the garden, learn about a healthy lifestyle and get the chance to grow their own fruit and vegetables.

Customers receive one Gardens for Schools voucher for every €10 spent in a single transaction in Strikes Garden Centres and Topiary Coffee Shops*. Customers are then able to donate their vouchers to the school of their choice who can exchange the vouchers for free gardening products.

New Redemption Levels!
On the collection of 250 Gardens for Schools vouchers**, Strikes Garden Centre will exchange them for a €100 garden centre gift voucher to be spent on garden product of the school's choice.

A full list of participating garden centres is attached for your convenience.

Happy collecting and gardening!

* excludes concessions
** This redemption level will remain constant, 250 Gardens for Schools vouchers equal €100 garden centre gift vouchers
