Code of Conduct for Sporting Events.

Please be mindful of the following Code of Conduct when attending Sporting Events to support your children.

School Games Code of Conduct

The Code of Conduct has been created for teachers, coaches, match officials/leaders, pupils, parents and spectators to refer to when engaged with School Games competitions and festivals.

Teachers / Coaches

1. Schools have a responsibility to ensure that teachers, hired professional coaches, adult volunteers and young leaders use appropriate language and behaviour when working with young people and commit fully to the spirit of the games and this code of practice.
2. Ensure that adequate supervision is provided by suitably qualified and competent Teachers/Coaches capable of developing appropriate sports behaviour and conduct during competition.
3. Teach players that the rules/laws of the game are for their own safety and should be respected at all times.
4. Ensure that players respect the ability of their opponents and the judgement of match officials.
5. If there is a disagreement, follow the appropriate procedure in order to question the decision and teach young people to do likewise.
6. Condemn the use of violence in any form, be it by spectators, teachers, coaches, officials or players.
7. Understand that young people play for fun and enjoyment and winning is only part of this. Never ridicule or shout at children for making mistakes or losing a competition.

Officials

1. Ensure the rules and regulations follow the School Games guidelines for the appropriate age group and therefore match the skill level of participants.
2. Reinforce the principles of participation for fun and enjoyment, over winning at all costs.
3. Use common sense to ensure that the "spirit of the games" for young people is not lost by overcalling violations.
4. Compliment both teams on their efforts.
5. Be consistent, objective and courteous in calling infractions.
6. Condemn the use of foul language and violence of any form.
7. Promote fair play and appropriate sports behaviour.
8. Ensure that everyone's behaviour is consistent with the principles of good sportsmanship at all times.
9. Treat all people fairly and with respect regardless of race, background, religious beliefs or gender

Failure to follow this code of conduct could result in you being asked to leave a School Games Competition.
