Part of Central Co-operative Learning Trust MAT

Issue 33

Date 22.6.18

Here are this week's photographs from both KS1 and KS2 assemblies.

Congratulations to everyone who was recognised for this week's Aspire theme of Persevere.

Year 6 Rounders

Well done to our Year 6 Rounders team who participated in the annual Dove Valley Rounders Tournament on Tuesday.

With a superb total of 13 rounders, from a draw and a loss, we were unlucky not to progress to the Semi-finals.

Many thanks to our boys and girls who bowled, batted and fielded brilliantly in a confident display of teamwork.

Thanks to our supporters for the cheering of the team.

Burton Amateur Swimming Gala

Friday night saw the Burton Amateur Swimming Club's annual Swimming Gala. Once again our team looked strong and were keen to hold onto the title of winners. All children to the best of their ability with lots of medals being won by all.

It was a close event, at the half way point we were winning by 3 points. This kept the team focussed and we continued to do well, with more medals won. A very exciting cannon completed the event and it was a great win for our team being 0.1 second faster than Hilton Primary School!

Unfortunately, Thomas Russell Junior School did tip the leader board at the end of the evening to take home the trophy. However, we were magnanimous in defeat and were delighted to be second place. All the children were impeccably behaved and enjoyed the event. It was a pleasure to support them.

Special thanks to all those parents, grandparents and siblings who braved the heat and cheered us on through the evening.

Derby University

On Wednesday, we took a few Year 3 children to Derby University, for an amazing day of different activities.

The children created some fantastic monsters and then learnt the French words for parts of the monsters' bodies.

They enjoyed a forensic science lesson, where the children took their own fingerprints.

After lunch, they played badminton in the Sports Centre. All the children behaved superbly.

Below are a few words from the children:

'I really enjoyed the day'

'It was fun'

Letters sent out this week

Week 1 — Lunch Menu

Menus are available to view on our website.

Year 5 Parliament Visit

On Thursday, 30 of our Year 5 children and 6 staff were lucky enough to be able to visit the Houses of Parliament in London. It was a long day, leaving school at 7.30am and arriving back after 8.00pm. When we arrived, we first had some lunch. Then we went on a short tour of the Palace of Westminster to see the historical seat of power. Finally, we went for a walk over to Buckingham Palace, taking in various landmarks on the way.

We ended our day with a workshop to find out a little more about democracy, which included mock elections. Eventually, after some negotiations between the parties, Jessica was elected our new Prime Minister. Well done Jessica.

It was a fantastic experience for everyone. Thank you to all of the children for being impeccably behaved and a credit to the school and to the staff who had a very long but enjoyable day.

Keeping Safe in the Sun

High temperatures are forecast over the next few weeks and with that in mind, our thoughts turn to playtimes in the sun.

At John of Rolleston we take children's safety in the sun very seriously.

We encourage children to spend some of their playtimes in the shade and remind them of the following things they can do to prevent sunburn.

1. Bring a hat (compulsory for EYFS & KS1 and highly recommended for KS2).
2. Parents should apply high factor sunscreen before school. There are sunscreens which are designed to last all day. If children bring sunscreen to apply during the day it must be named and they mustn't share it with their friends due to possible allergies. Staff will not apply sunscreen.
3. Bring a pair of sunglasses. These should have appropriate filters and not be toy glasses. These should be named and children will be responsible for them. We cannot be responsible for sunglasses brought in. If we have a concern about the suitability of sunglasses, then we will contact parents.

Together we can protect our children so that they can enjoy the sunshine but stay safe.

Budgie Found

A green and yellow budgie has been found this morning on chapel lane.

If you have lost a budgie today, please contact the school and we will put you in touch with the person who is currently caring for it.

Parent Focus Group

Our next meeting will be held on Wednesday 27 June at 6.00pm on Alderbrook site.

Please let a member of the Parents' Focus Group know, if you wish for an item to be discussed.

Summer Solstice Walk

A group of 24 people from the community enjoyed a 5 mile walk on a beautiful summer's evening last night, in aid of raising funds for our school and those who couldn't make it gave their £5 donation via the service set up on ParentPay.

Huge thanks go to Emma Homecroft for suggesting and instigating the idea and also thanks to Ali Gordon and Fiona Peck for planning and doing a pre-walk of the route. Some even enjoyed well earned refreshments afterwards at The Spread Eagle!

If you would like to donate £5 (or more) towards resources for the pupils, then please login to your ParentPay account and select the Summer Solstice service.

Sports Day- Thursday 28 June

As the temperatures are expected to rise next week, please remember to send your child with the following for Sports Day on Thursday:

Water bottle, sun hat, sun cream (to re apply by child if need).

All children to arrive on Alderbrook site at 8.50am wearing coloured (families) t-shirt, shorts and pumps. Sun cream to be applied before they come.
