

John of Rolleston Foundation News

Thursday 6th September 2018
Issue 1

Welcome to Foundation

Welcome to the new school year and we hope that you all had a wonderful summer.

This newsletter is issued weekly on a Thursday and is intended to keep you informed regarding the teaching and learning within the setting and any other relevant information. **We have issued a paper copy for this week only.** Further newsletters will be on the school website, a copy will be emailed to those we have email addresses and a copy will be on the notice board at the front of the school.

As a school we need to be provided with key information from you as parents. If you have not yet returned the following information, please do so as soon as possible:

- Photograph consent
- Parental/Child confidential information form
- Parental permission for local visits form
- Home time collection
- Data Collection Sheet

We also need to view and photocopy your child's full birth certificate for admission purposes. If you have not yet brought this into school, once again we ask that you do so promptly.

Please do not hesitate to contact us should you need clarification on any of the above.

Thank you

Our Amazing Outdoor Learning Area

As a school, we are so proud of our new outdoor learning area. It looks fantastic and is a super addition to the school. This climbing frame will allow the children to develop physically and challenge themselves.

Questionnaire

Attached to this letter is a questionnaire we would like families to complete regarding your child's induction to school. We are constantly looking for feedback, both positive and constructive, to improve the induction process. Thank you.

Reading and Early Phonics Support Workshop

Please return your slips to indicate whether you are able to attend the workshop on Thursday 20th September 2018. This workshop is intended to provide you with some tips and ideas about how to share your child's reading book with them once issued. Parents that have attended in the past felt it was useful and informative. We look forward to seeing lots of you on this date.

Thank you
