# — WELCOME — BACK TO SCHOOL

### Welcome to the new academic year at John of Rolleston.

It was lovely to welcome our pupils into school after the summer break. We have enjoyed hearing about their adventures and holidays which the children have taken part in. The warm summer has helped the children to be able to play out and we hope that this continues into the autumn.

We have also welcomed our new EYFS children who appear to have already settled in well. There are also another six children who have joined us in different year groups across the school and we are looking forward to getting to know them better.

Mr Mason has also joined us as a class teacher in Year 3 and we know that he will be a valuable member of the staff team. Miss Bean, one of our Teaching Assistants, has got married and is now known as Mrs Low, we wish her well in her married life.

The staff have been working hard in preparation for the start of the new academic year and have many exciting learning experiences up their sleeves. Our children are always very receptive and want to learn. Remember to ask your child what they have been learning, so that they can share that with you. It is vital that the collaboration between home and school, is strong in order that our pupils make maximum progress and develop as a whole person. We thank you in advance for your support. As always, if you have a concern, then please contact the class teacher as small worries can usually be dealt with promptly.

We look forward to working with parents, carers and other family and community members. I am sure that this will be a very successful year for all connected with the school.

Kind regards  
Mr Ian Bateman

### School Dinner Price Increase

From Tuesday 5 September, the price of a child's school dinner has increased to £2.30 and an adult meal is £2.75.

KS2 school dinners must be paid for in advance. It is your responsibility to ensure that funds are paid on the account for your child to have school dinner that day.

Please remember that even if your child is on the infant site, you must claim Free School Meals if you are eligible. Please ask if you need any further information.

Please see our debt policy on the website.

## EYFS New Outdoor Equipment

Here is a picture of the new Early Years outdoor equipment. The previous equipment had been in situ for well over 13 years and was becoming difficult to maintain safely. We have been able to use some of our ring fenced PE funding to provide the wonderful new resources.

As you can see, the apparatus will allow the children to develop many physical skills, such as balance and climbing, whilst they enjoy their play and will be sustainable in the future. The equipment is also available for the Forum to use after school, so is also an asset to them.

So far the children have really enjoyed using the equipment and are very enthusiastic about it.

## Parking—please think!

As school is now back after 6 weeks away, our neighbours have more cars and pedestrians to contend with.

Please think carefully about where you park when you drop off and pick up. After only two days, we have concerns about cars being parked inconsiderately and possibly illegally on the junction of Station Road and School Lane. This is a particularly dangerous junction as cars parked on the corner mean that other drivers cannot see what is coming along Station Road as they try to turn out.

I know that we are all busy and time is of the essence, however what we do not want is children or parents hurt because of thoughtless parking. Please park further away from school and walk the rest of the way or even walk from home (if that is possible). I have contacted the Clear Streets highways team so that they are aware

Please remember we have permission for you can park in the Spread Eagle and Rolleston Club, for drop off and pick times.

**Music Tuition Days—Please remember to bring in your instrument.**

Tuesdays AM - Violin  
PM - Woodwind

Wednesdays AM - Brass/Keyboards

Thursdays AM - Cello

**Burton Albion Community Trust - After School Clubs for KS1 and KS2.**

Burton Albion Community Trust will be running our KS1 and KS2 after school clubs during the school week.

A copy of the letter, with details of how to book, etc can be found on our website or click on the link below:
