Snack Table

As part of our commitment to being a healthy school, we provide the children daily with a choice of milk or water to drink and a piece of fruit for a snack.

Children must not bring a bottle of juice to consume during the school day. They are welcome to bring a bottle of still unflavoured water if you so wish, but we ask that this bottle is placed by the snack table at the start of the day. We do not advise that drinks bottles are kept in a child's bag throughout the day in case they leak.

Uniform

Please ensure that all items of clothing are clearly labelled with your child's name to ensure we can return misplaced items. We also ask that if your child accidentally brings home an item of clothing belonging to someone else that this is returned to school. Thank you.

Toys

Please can you discourage your child bringing toys from home in their school bag. We would be most upset if these were damaged or lost.

The learning provision we provide for the children is carefully planned and helps support your child's development.
Thank you for your support.

Questionnaire

Thank-you for all the questionnaires that have been returned to school. The feedback is useful for us to respond to in order to improve the induction process for the next academic year.

If you have not yet returned yours then please do so.
Thank you.

Reading and Early Phonics Support Workshop

Please return your slips to indicate whether you are able to attend the workshop on Thursday 20th September 2018.

This workshop is intended to provide you with some tips and ideas about how to share your child's reading book with them once issued. Parents that have attended in the past felt it was useful and informative. We look forward to seeing lots of you on this date.

Thank you

Mobile Phones

Please remember we do not allow the use of mobile phones in school.

Therefore please do not use them to take photographs of your child within the setting.
